

YOU ARE OUR #1 PRIORITY!

You are encouraged to use Drive-thru and Online & Mobile Banking whenever possible. They are the safest options for your bank transactions even though most GNB lobbies are now open*.

- If you have a cough, fever, or flu like symptoms, please do not enter the lobby. If you need help beyond what can be done online or in the drive-thru banking, please call us at 937.548.1114.
- For appointments with a loan officer or to open an account, please call ahead so you won't have to wait.

If you need to come into the lobby, this is what you can expect:

- 1 If you are wearing a mask, you may be asked to lower it and show your photo ID.**
- 2 Floors have safe distancing marks.**
- 3 Germ shields are in place.**
- 4 Hand sanitizer is available.**
- 5 Our staff are cleaning and sanitizing throughout the day.**
- 6 We won't be shaking hands or giving out suckers or popcorn.**

We certainly miss what we all consider “business as usual.” But more than anything else, we want to take care of your banking needs and keep you safe.

We appreciate your understanding as we navigate these very unusual circumstances.

***GNB lobbies not open at this time include our Chestnut and Sycamore Banking Centers (the Drive-thru is still open).**
